Administrative Action

CONSENT ORDER

This matter was opened to the New Jersey State Board of Respiratory Care upon the application of Domeque J. Jacques for a license to practice respiratory care in the State of New Jersey. In connection with that application, Domeque J. Jacques acknowledged that he had been practicing respiratory care in the State of New Jersey without having first obtained a license, until the present time.

The Board having considered the aforementioned, and the parties being desirous of resolving this matter without the necessity of further formal proceedings, Domeque J. Jacques, having waived any right to a hearing in this matter, and the Board finding that the within Order is adequately protective of the public health and that good cause exists for its entry:

IT IS ON THIS 7th DAY OF June 1995,

ORDERED that a license to practice respiratory care in the State of New Jersey shall be issued to Domeque J. Jacques, with conditions as specified in this Order, and it if further

ORDERED that Domeque J. Jacques is reprimanded for the unlicensed practice of Respiratory Care and shall, contemporaneously with the filing of this Order, pay a civil penalty in the amount of \$250.00, by certified check or money order payable to the State of New Jersey and forward it to the Board of Respiratory Care.
